

TMS- Trainee Management System

1.Login

-If the Manager ID and password are matched successfully, the user will be redirected to the Manager Dashboard page. This works on a role-based system.

The screenshot displays the login interface for the Trainee Management System. At the top center, there is a blue circular icon containing a white shield. Below this icon, the text "Trainee Management System" is displayed in a bold, black font, followed by the subtitle "Secure access to your training portal" in a smaller, lighter font. The main login form is a white card with a blue border. It features a title "Sign In to Your Account" in bold. Below the title, there are two input fields: "Trainee/Manager ID" with a red asterisk and a blue icon of a person, and "Password" with a red asterisk and a blue icon of a padlock. The ID field contains the text "MGR001" and the password field contains eight dots. Below the password field, there are two links: "Remember me" with a checkbox and "Forgot password?". A large blue "Sign In" button is positioned below these links. At the bottom of the card, a small text line reads "Secured with enterprise-grade encryption". Below the card, a footer line contains the copyright notice "© 2025 Trainee Management System. All rights reserved." and the session details "Session timeout: 30 minutes | Max login attempts: 5".

Session timeout: 30 minutes | Max login attempts: 5

-If the Trainee ID and password are matched successfully, the user will be redirected to the Trainee Dashboard page. This works on a role-based system.

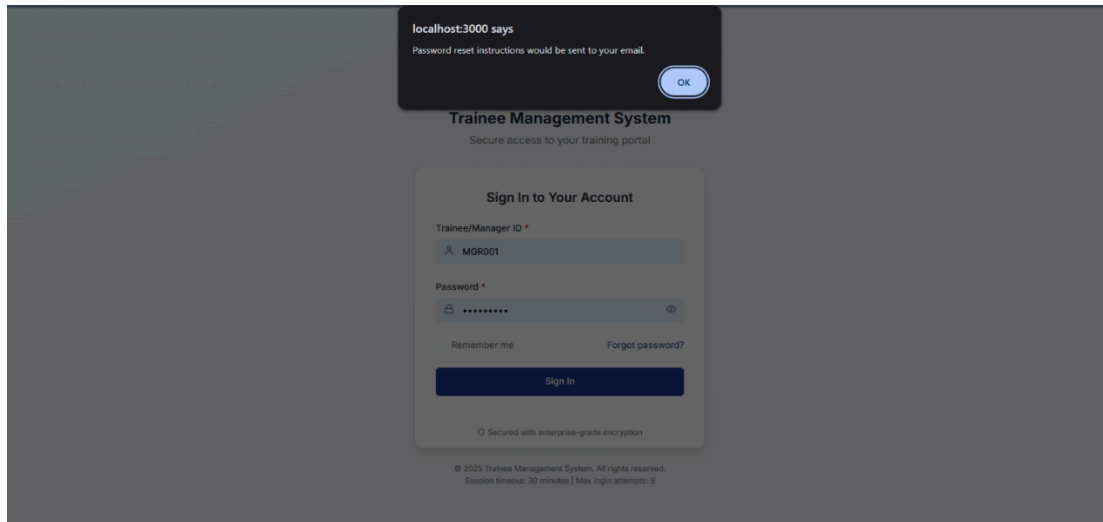

If the **password** or **Trainee ID / Manager ID** does not match, an **“Invalid password”** message will be displayed.

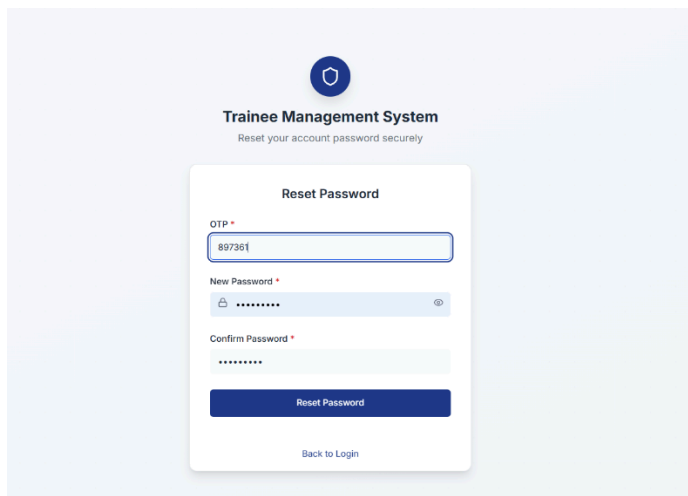

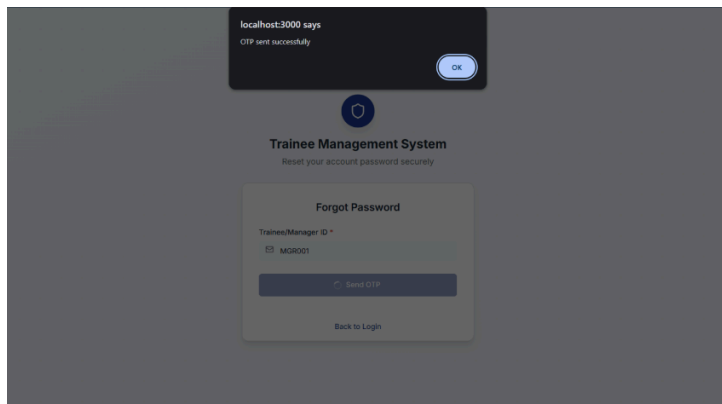

Forgot Password

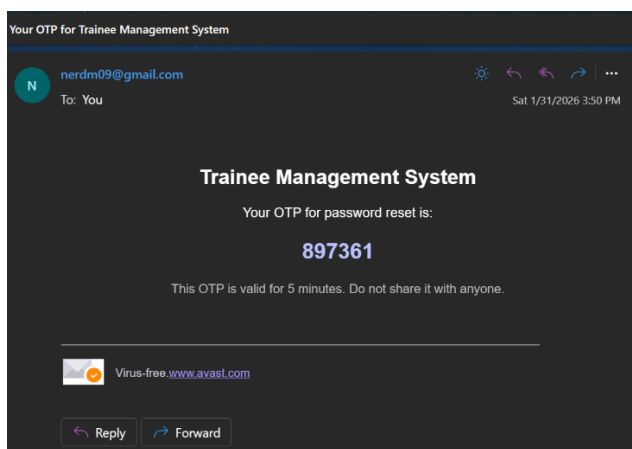

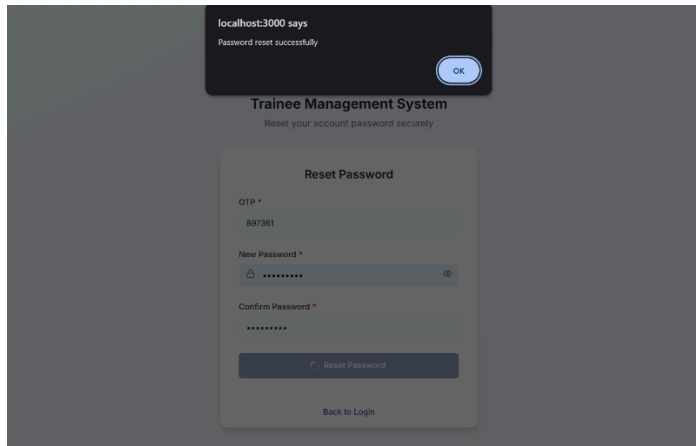

If the user forgets the password, they can click on **Forgot Password**.

After entering the **Manager ID or Trainee ID**, an **OTP** will be sent to the **registered email address**.

Once the user enters the OTP and provides a **new password** and **confirm password**, the password will be successfully **reset**.

2. Manager Dashboard

On the **Manager Dashboard**, the **total number of trainees**, **pending**, **average completion**, and **upcoming interviews** will be displayed.

A list of trainees **specifically assigned to the manager** will also be shown.

3. Trainee Dashboard

On the **Trainee Dashboard**, all the **completed steps**, **assessment history**, and **interview schedule** are displayed.

The screenshot displays the Trainee Dashboard for Harish Nagure, a Trainee. The dashboard is divided into three main sections: Learning Progress, Interview Schedule, and Assessment History.

Learning Progress: This section shows the overall progress of the learning journey. It indicates that the user is on Step 2 of 3, with 33% completion. The steps are: Step 1 (Java Coding), Step 2 (DBMS coding), and Step 3 (AI Classifications). The user has completed Step 1 and is currently on Step 2. A 'Continue Learning' button is available for Step 2.

Interview Schedule: This section displays the interview schedule. It shows two interviews scheduled for Tuesday, January 13, 2026, at 10:30:00 (60 minutes). The interview is titled 'behavioral' and is conducted by Britto A, Senior Java Architect, online. A 'View Details' link is provided for each interview.

Assessment History: This section shows the weekly assessment results and manager feedback. It indicates that the user has completed the 'Week 1 Assessment' milestone with a score of 70/100 and a Grade of B. The assessment was conducted on January 31, 2026, by Manager Harish Nagure. The feedback is 'Improve Communication Skills and Learn New Technology'. The assessment is marked as 'Completed'. A 'View Details' link is provided for the assessment.

The dashboard also includes a 'Session' timer at the bottom left, showing 29:55.

3.Trainee Dashboard- Learning

On the **Trainee Dashboard**, under the **Learning** section, the **course duration**, **course details**, and **documents** will be displayed.

The trainee is required to **complete all the assigned steps**.

However, a step will be marked as **complete only after the manager approves it**.

The screenshot displays the 'Trainee Dashboard' under the 'Learning' tab. The user is 'Harish Nagure', a 'Trainee'. The dashboard shows the 'Syllabus Steps' on the left, with 'Step 1: Java Coding' completed (green checkmark), 'Step 2: DBMS coding' completed (green checkmark), and 'Step 3: AI Classifications' pending (grey circle). The 'Overall Progress' is 67%, with 2 of 3 steps completed. The main content area shows 'Step 1: Java Coding' with a 'Step Progress' bar at 100%. Below this, there is a 'Datatype' section with a file 'EJ_Practical(3A).pdf'. A 'Source Code' section shows the code for 'Index.html', which includes a form for 'Download & Upload'. The code is as follows:

```
<!DOCTYPE html>
<html>
<head>
<title>File Download & Upload</title>
</head>
<body>
<form method="post" action="upload" enctype="multipart/form-data">
File Upload Form<input type="file">

```

At the bottom, there are buttons for 'Previous Step', 'Approved', and 'Next Topic'.
